sale by a Lot Owner other than Developer shall be subject to the following provisions:

(a) Right of First Refusal. In the event the Owner of any Lot wishes to sell the same and has received a bona fide offer to purchase same, such owner ("seller") shall notify the Association in writing that the Lot is for sale and shall supply the Association with a true copy of such offer and the terms thereof, including the name of the prospective purchaser and such other information as the Association, in the reasonable exercise of its discretion, may request. The Association shall have the option for fifteen (15) days following receipt of such offer, to purchase the Parcel on the terms and conditions set forth in the offer, which option shall be exercised if at all by notice in writing given to the Seller within said fifteen-day period. The Association shall have the right to assign the option herein granted or to waive its rights under this section. If the Association does not elect to exercise its option, or assign the same, or if the Association waives its rights hereunder Seller shall have the right to complete the transaction described in the offer to the purchaser named therein. If for an reason such transaction is not concluded and notice of such fact is given to the Association within thirty (30) days after the time required by the offer for the transaction to be closed, the offer shall be deemed to have been abandoned and the provisions of this section shall be reimposed on the Lot in question.

(b) Application. The option granted to the Association in subsection (a) above, shall not apply to transfers made by the Developer, or any affiliate or subsidiary of the Developer, or to transfers made solely for the purpose of securing the performance of any obligation, transfers involving a foreclosure sale or other judicial sale or an transfer to an Institutional Mortgagee in lieu of foreclosure, any transfer by an Institutional mortgagee following foreclosure or any proceeding or arrangement in lieu thereof, the transfer of one joint tenants interest to another, by operation of law, or transfers to direct descendants or ascendants of the transferor, or to corporations or partnership owned or controlled by the Seller, or sales to persons related by blood or marriage to the Seller.

(c) Certificate of Termination. The Association shall, upon request, at any time furnish to any Member, or other person legitimately interested in the same, a certificate in writing executed by an Officer of the Association in recordable form stating that the requirements of Section 1 have been complied with, or duly waived by the Association, and that the rights of the Association thereunder have terminated. Such certificate shall be conclusive evidence of compliance with the requirements of (a) above, for all persons who rely thereon in good faith.

Section 2. Rental or Lease. No lease for a period of more than one (1) year shall be valid unless approved by the Association and all lessees shall acknowledge in writing their agreement to be bound by the terms of the Declaration during their tenancy. The Association shall have the right to require that a substantially uniform form of lease be used. Such lease shall not release the Lot Owner from any obligation under this Declaration.

Section 3. Voidability. Any purported sale or lease of a Lot where the Lot Owner has failed to comply with the provisions of this Section, shall be voidable at the election of the Association, provided, however, that such voidability shall exist for a period no longer than ninety (90) days from the consummation of such transaction, such consummation to be evidenced by occupancy of the Lot or by furnishing the Association with a true copy of a recorded deed of conveyance

thereto or lease thereof; and, provided, further, that the Association commence an action within such ninety (90) day period to have the same declared void.

Section 4. Exception. Any Institutional First Mortgagee making a mortgage loan for the purpose of financing the purchase of a Lot shall not be required to inquire whether or not its mortgagor's grantor complied with the provisions of this Section, and any failure of such mortgagor's grantor to so comply will not operate to affect the validity or priority of such mortgage.
