

Bay Point Community Association
GOLF CART/LOW-SPEED VEHICLE REGISTRATION FORM

The Board Members of the Bay Point Community Association approved a registration process whereby owners and tenants shall register their golf carts and low-speed vehicles with the BPCA office. The purpose of this registration is to enable identification of these vehicles on BPCA property. This registration does not grant permission nor the right to operate golf carts and low-speed vehicles on BPCA privately owned roads. All liability to do so rests solely with the vehicle operator.
